

Technical Information Alkyton Repair Sprays

Quality lacquer in high-grade synthetic quality. Due to the possibility to repair scratches and paint damages on painted surfaces quickly and efficiently, this paint prevents the formation of damages by corrosion. Ideal to repair damages which arose during assembly and maintenance, but also for special applications on difficult to reach spots, e.g. in niches or on handrails.

For extensive paintings we recommend DUPLI-COLOR Alkyton Rust Protection brush paint.
