

Technical Information Rust Solvent

presto Rust Solvent reduces friction and enables tight bolts or rusted parts to be unscrewed easily. The product is fast working, efficient and flows and works its way around objects such as screws – even going against gravity. Enriched with molybdenum sulphide, it offers improved lubricating properties. presto Rust Solvent does not damage metal, rubber and numerous plastics.

For use on:

Hinges, fittings, bolted connections, locks, bolts, nuts, tools, chain etc.
