

Technical data Sheet spot remover

Distein spot remover is specially formulated to clean up stains on clothes left behind by DISTEIN forest marking paints. Spray the stained area liberally with the spot remover and blot away carefully, do not rub. Repeat as necessary.

Suitable for colored spots from Distein marking paint.

Quality and properties

- mild effect
- universal usable
- good separation force
- no residues
- not corrosive

Physical and chemical data

- **Color:**
transparent
- **smell:**
characteristic
- **basic:**
specific solvent
- **Storage stability:**
10 years if appropriate storage provided (10°-25°C, relative air humidity of max. 60%)

Environment and labelling

Environmentally compatible: European Aerosols is committed to apply formulations without restricted or critical ingredients and to achieve best possible performance. The caps and packagings are made of recyclable material.

Disposal: Please mind the residue inside the containers. Completely emptied containers can be used for recycling. If cans are not emptied, they should be disposed off as "special refuse".

Only for DE: In order to ensure a high reuse and recycling rate, the legislator requires, in accordance with §15 - VerpackG, Paragraph 1, the return of transport, sales or outer packaging, alternatively, however, deviating agreements can also be made.

Labelling: All products of European Aerosols comply with the current status of their labelling regulations. Classification and distinction takes place by the presently legal form of the **Globally Harmonized System of Classification and Labelling of Chemicals** (GHS) or rather by CLP 1272/2008/EG regulations. Our safety data sheets comply with the current form of REACH 1907/2006/EG, article 31 und appendix II,

Using Instructions

Before use, carefully read and observe the warning texts on the label!

- Before use, shake can well for 2 minutes.
- Spray to test colour and compatibility on an inconspicuous area.
- Distance approx 10-15 cm

Order information

Disclaimer of liability

This application-technological information is given to the best of our knowledge. The notes mentioned herein are, however, non-binding and do not exempt you from own tests to see whether the products supplied by us are suitable for your special application. The use and processing is beyond our control and therefore exclusively in the responsibility of the user. European Aerosols is let off the liability, unless the liability-based incident is caused by a fault incurred to European Aerosols.

As of October 29, 2012

This release replaces all eventually earlier issued versions.
