

Technical Information Silicone Spray

This is a high-quality silicone spray for lubricating and protecting plastic and rubber parts against moisture, dirt and rust on bikes. It impregnates rubber and prevents plastic parts from breaking and squeaking.

Order informations

There are no prdocuts to show.

Disclaimer of liability

This application-technological information is given to the best of our knowledge. The notes mentioned herein are, however, non-binding and do not exempt you from own tests to see whether the products supplied by us are suitable for your special application. The use and processing is beyond our control and therefore exclusively in the responsibility of the user. European Aerosols is let off the liability, unless the liability-based incident is caused by a fault incurred to European Aerosols.

As of: May 7, 2010

This release replaces all eventually earlier issued versions.
