### Quality and properties

- Dermatologically tested, therefore caring for the hands
- Completely biodegradable
- Economic use

### Physical and chemical data

- **Ingredients:** Aqua, Glycerin, Sodium Silicate, Sodium Tallowate, Ceteareth-25, Paraffin, Sodium Cocoate, Sodium Hydroxide, Sodium Chloride, Tetrasodium Glutamate, Diacetate, Sodium Thiosulfate, Parfum
- **Colour:** white
- **Smell:** almondy
- **Density at 20°C:** approx. 0.4 g/cm<sup>3</sup>
- **Storage stability:** 30 months in the original, unopened container, proper storage conditions provided (=10°-25°C, relative air humidity max. 60%)
- **Container / size:** 650 ml plastic box

### Environment and labelling

**Environmentally compatible:** European Aerosols is committed to apply formulations without restricted or critical ingredients and to achieve best possible performance. The caps and packagings are made of recyclable material.

**Disposal:** Please mind the residue inside the containers. Completely emptied containers can be used for recycling. If cans are not emptied, they should be disposed off as "special refuse".

*Only for DE: In order to ensure a high reuse and recycling rate, the legislator requires, in accordance with §15 - VerpackG, Paragraph 1, the return of transport, sales or outer packaging, alternatively, however, deviating agreements can also be made.*

**Labelling:** All products of European Aerosols comply with the current status of their labelling regulations. Classification and distinction takes place by the presently legal form of the **Globally Harmonized System of Classification and Labelling of Chemicals** (GHS) or rather by CLP 1272/2008/EG regulations. Our safety data sheets comply with the current form of REACH 1907/2006/EG, article 31 und appendix II,

### Using instructions

**Before use, carefully read and observe the warning texts on the label!**

#### Application

- Wash your hands and dry thoroughly.
- Rub onto the palm of the hand and let dry briefly.
- After work, the dirty hands can easily be cleaned under running water.

### Bestellangaben

#### Disclaimer of liability

This application-technological information is given to the best of our knowledge. The notes mentioned herein are, however, non-binding and do not exempt you from own tests to see whether the products supplied by us are suitable for your special application. The use and processing is beyond our control and therefore exclusively in the responsibility of the user. European Aerosols is let off the liability, unless the liability-based incident is caused by a fault incurred to European Aerosols.

As of March 21, 2018

This release replaces all eventually earlier issued versions.
