Technical Information Metallic

Quick-drying acrylic lacquers for styling, contrast lacquering and repairs on the vehicle.

To protect the metallic particles in the paint, the metallic lacquer has to be coated with DUPLI-COLOR 2-Coat Clear Lacquer art.no. 191695.

Disclaimer of liability

This application-technological information is given to the best of our knowledge. The notes mentioned herein are, however, non-binding and do not exempt you from own tests to see whether the products supplied by us are suitable for your special application. The use and processing is beyond our control and therefore exclusively in the responsibility of the user. European Aerosols is let off the liability, unless the liability-based incident is caused by a fault incurred to European Aerosols.

As of January 11, 2010
This release replaces all eventually earlier issued versions.
