

Technical Information Anti-Squeaking Spray

presto Anti-Squeaking Spray prevents annoying squeaking of brakes that occur between the brake caliper piston or bearing points and brake pad.

It safeguards the entire brake system and provides addition corrosion protections.

Metal-free, therefore suitable for lambda sondes.
Suitable for ASR and ABS brake systems.

Order informations

There are no prdocuts to show.

Disclaimer of liability

This application-technological information is given to the best of our knowledge. The notes mentioned herein are, however, non-binding and do not exempt you from own tests to see whether the products supplied by us are suitable for your special application. The use and processing is beyond our control and therefore exclusively in the responsibility of the user. European Aerosols is let off the liability, unless the liability-based incident is caused by a fault incurred to European Aerosols.

As of March 12, 2014

This release replaces all eventually earlier issued versions.
