

Technical Data Sheet Linemarker

Special marking of lines and divisions for roads, parking lots and industrial plants as well as safety signs.

Colour hues: white, yellow, red, orange, green, blue, grey, black and traffic yellow.

The grey and black marking sprays can also be used as corrective sprays to remove fluorescent markings from concrete or tar.

The line marker can be used in the following accessories:

- Speedliner[®]
- Speedmarker long
- Speedmarker short
- Speedmarker 2-Wheel

Accessories available from all COLORMARK partners.
