

Technical Information Wall Primer (Meno Mani)

Isolating primer for painting and reconditioning work in the interior and external area. Prevents the come through at problem places such as edges of water, fat -, soot and nicotine marks, oily or aqueous materials before over-painting with top coats.

Also excellently suitable:

- as primer for all sucking undergrounds, also for window frames made of wood.
- Underground before changing wallpapers, e.g. on pressboard or plaster board
- as protection layer for outside on concrete, plaster and walls against strong weather influences, like strong rain etc.
