

## Technical information Finish Control Spray

---

ColorMatic finish control spray provides optimum results after polishing the clear coat and topcoat, where appropriate. The micro foam removes oily and waxy polish residue and makes remaining sanding marks visible.

**Application:**

Ideal for spot repairs and refinishing parts.

## Order informations

---

There are no products to show.

## Disclaimer of liability

---

This application-technological information is given to the best of our knowledge. The notes mentioned herein are, however, non-binding and do not exempt you from own tests to see whether the products supplied by us are suitable for your special application. The use and processing is beyond our control and therefore exclusively in the responsibility of the user. European Aerosols is let off the liability, unless the liability-based incident is caused by a fault incurred to European Aerosols.

As of July 26, 2010

This release replaces all eventually earlier issued versions.
