

Technical Information Silver Chrome

DUPLI-COLOR SILVER CHROME is a high-glossy effect spray, that gives a look similar to chrome to smooth surfaces. Due to the new quality, which is resistant to abrasion and to weathering, the spray can be used to paint outdoor objects.

Suitable for all smooth surfaces, for the design of all kinds of decorative objects where a very high degree of gloss is desired.

The optimal effect will be achieved on a black ground, e.g. by priming with DUPLI-COLOR EFFECT PRIMER black.
