

Technical Information Speed wax

For a quick shine in between, presto Speed wax is water repellent and reduces the adhesion of dirt. Suitable to treat lacquered surfaces and plastic or chrome-plated parts.

Order informations

There are no precuts to show.

Disclaimer of liability

This application-technological information is given to the best of our knowledge. The notes mentioned herein are, however, non-binding and do not exempt you from own tests to see whether the products supplied by us are suitable for your special application. The use and processing is beyond our control and therefore exclusively in the responsibility of the user. European Aerosols is let off the liability, unless the liability-based incident is caused by a fault incurred to European Aerosols.

As of: January 10, 2014

This release replaces all eventually earlier issued versions.
