

## Technical Information Handcleaner paste wood flour

---

presto Handcleaner paste with woodflour is a soap-free hand cleaner to remove medium to heavy soilings from mainly water-insoluble substances on the basis of oil, fat or pigments.

For use in workshops, printer shops, chassis manufacturing, paint processing industry, construction and other industries.

Tip: To protect your hands from contamination we recommend to use our dermatologically tested product presto Invisible Glove.

---

**There are no preorders to show.**

## Disclaimer of liability

---

This application-technological information is given to the best of our knowledge. The notes mentioned herein are, however, non-binding and do not exempt you from own tests to see whether the products supplied by us are suitable for your special application. The use and processing is beyond our control and therefore exclusively in the responsibility of the user. European Aerosols is let off the liability, unless the liability-based incident is caused by a fault incurred to European Aerosols.

As of June 1, 2023

This release replaces all eventually earlier issued versions.
