

Quality and properties

- Pleasant smell
- Free of organic solvents and propellants
- For use on all plastics
- Cleaning effect
- Reduces soil adhesion
- Good spreading rate due to inert propellant
- Can be applied upright and upside down
- Minimal spray mist
- Silky shine
- Slightly alkaline
- Incombustible

Physical and chemical data

- **Storage stability:**
5 years if appropriate storage provided (=10°-25°C, relative air humidity of max. 60%)
- **Size:**
aerosol can, maximum nominal volume 300 ml

Environment and labelling

Environmentally compatible: European Aerosols is committed to apply formulations without restricted or critical ingredients and to achieve best possible performance. The caps and packagings are made of recyclable material.

Disposal: Please mind the residue inside the containers. Completely emptied containers can be used for recycling. If cans are not emptied, they should be disposed off as "special refuse".

Only for DE: In order to ensure a high reuse and recycling rate, the legislator requires, in accordance with §15 - VerpackG, Paragraph 1, the return of transport, sales or outer packaging, alternatively, however, deviating agreements can also be made.

Labelling: All products of European Aerosols comply with the current status of their labelling regulations. Classification and distinction takes place by the presently legal form of the **Globally Harmonized System of Classification and Labelling of Chemicals** (GHS) or rather by CLP 1272/2008/EG regulations. Our safety data sheets comply with the current form of REACH 1907/2006/EG, article 31 und appendix II,

Instruction manuel

Before use, carefully read and observe the warning texts on the label!

Application:

- Bring can to room temperature.
- Operating temperature 15 to 25°C.
- Shake can before use for 2 minutes.
- Spraying distance of ca. 10 to 15 cm.
- Apply cockpit spray in one single coat. Leave to work for a few minutes and then remove dirt with a clean cloth.
- Finally, polish with a dry soft cloth to bring out the brilliant shine.
- Avoid contact with electrical installations.
- **Do not spray steering wheel and pedals due to reduced grip!**

Disclaimer of liability

This application-technological information is given to the best of our knowledge. The notes mentioned herein are, however, non-binding and do not exempt you from own tests to see whether the products supplied by us are suitable for your special application. The use and processing is beyond our control and therefore exclusively in the responsibility of the user. European Aerosols is let off the liability, unless the liability-based incident is caused by a fault incurred to European Aerosols.

As of: May 5 2010

This release replaces all eventually earlier issued versions.
