

Technical Information 1K Clear Coat

DUPLI-COLOR 1K clear coat is a UV-resistant, fast-drying clear coat that can be applied universally at all existing base coats (solvent-based). Available in high gloss and satin gloss quality. Because of its very good flow and ease of applying good for the conservation and sealing of wood, wood composites, iron and steel for indoor and outdoor application.

Application:

For quick, small-area paintings on different surfaces like wood, iron and old solvent-based paints. For conservation and sealing.
