

## Technical Information Plastic Cleaner

ColorMatic Plastic Cleaner is a thorough and reliable cleaner for all plastic car parts, both exterior (e.g. bumpers) and interior (e.g. dashboard). It is also suitable for smooth leather and vinyl. It reliably removes dirt, grease, oil, silicone, wax, tar, glue remnants etc. It offers high cleaning power and is, therefore, the best way to ensure good adhesion for subsequent coating.

### Applications:

Ideal for spot repairs and repainting of plastic parts

## Qualities and Properties

- Easy and fast to use
- Reliable removal of silicone, grease, oil, wax, dirt, tar, adhesive residues etc.
- Antistatic effect to prevent embedded dust
- Thorough and reliable cleaning of all vehicle plastic – exterior and interior
- Extremely time saving

## Physical and chemical data

- **Basis of the binder:** solvent
- **Colour:** transparent
- **Smell:** solvent
- **Efficiency:** very efficient
- **Substrate:** Plastic for interior and exterior
- **Storage stability:** 10 years if appropriate storage provided (=10° - 25°C, relative air humidity of max. 60%)
- **Size:** Aerosol cans, maximum nominal volume 400 ml
- **VOC value:** 300g

## Environment and labelling

**Environmentally compatible:** European Aerosols is committed to apply formulations without restricted or critical ingredients and to achieve best possible performance. The caps and packagings are made of recyclable material.

**Disposal:** Please mind the residue inside the containers. Completely emptied containers can be used for recycling. If cans are not emptied, they should be disposed off as "special refuse".

*Only for DE: In order to ensure a high reuse and recycling rate, the legislator requires, in accordance with §15 - VerpackG, Paragraph 1, the return of transport, sales or outer packaging, alternatively, however, deviating agreements can also be made.*

**Labelling:** All products of European Aerosols comply with the current status of their labelling regulations. Classification and distinction takes place by the presently legal form of the **Globally Harmonized System of Classification and Labelling of Chemicals** (GHS) or rather by CLP 1272/2008/EG regulations. Our safety data sheets comply with the current form of REACH 1907/2006/EG, article 31 und appendix II,

## Using instructions

**Before use, carefully read and observe the warning texts on the label!**

### Application

- 1-2 light coats, repeat if dirt excessive
- Wipe off with a clean, dry non-woven cloth
- Allow cleaned surfaces to dry completely
- Shake can shortly before use
- **For professional use only**
- **Wear an appropriate respirator (we recommend A2/P3)**

5 sec

1-2

## Disclaimer of liability

This application-technological information is given to the best of our knowledge. The notes mentioned herein are, however, non-binding and do not exempt you from own tests to see whether the products supplied by us are suitable for your special application. The use and processing is beyond our control and therefore exclusively in the responsibility of the user. European Aerosols is let off the liability, unless the liability-based incident is caused by a fault incurred to European Aerosols.

As of July 19, 2010

This release replaces all eventually earlier issued versions.
