

Technical Data Sheet Spotmarker fluo/non-fluo

Professional construction site marking for building construction and civil engineering, construction sites and road construction. Also can be used in tunnelling and mining.

Patented one-hand safety cap with easy-touch release for improved functionality and increased safety. Guaranteed marking without painted fingers.

Colour tones: luminous pink, luminous red, luminous orange, luminous yellow, luminous green and luminous blue for fluorescent markings.

Also available in non-fluorescent colour hues: white, yellow, red and black.

The black marking spray can also be used as corrective sprays to remove fluorescent markings from tar.

Fluo/non-fluo Spotmarker can also be used in the following accessories:

- Marking pistol
- Marking wand

Accessories available from all COLORMARK partners.
