

Technical Information Cement Spray

Grey is currently THE trend colour for house and apartment design. Especially shower walls, floors, living walls and much more is currently being designed with exposed concrete, micro-cement or other concrete-look coverings. Small accessories, such as vases or soap dispensers, in the same look, complement these rooms perfectly. Here you will achieve fast and optimal results with our new DUPLI-COLOR CEMENT series.

For applications on all kinds of surfaces. Depending on layer thickness, it is possible to achieve different drying-contures, like real cement. By spraying a fast fine mist, it's even possible to achieve a mineral feel. Please use mat clear coat for outdoor using. Available in Hoover dark and Assuan light.
