

Technical Information Handcleaner paste wood flour

presto Handcleaner paste with woodflour is a soap-free hand cleaner to remove medium to heavy soilings from mainly water-insoluble substances on the basis of oil, fat or pigments.

For use in workshops, printer shops, chassis manufacturing, paint processing industry, construction and other industries.

Tip: To protect your hands from contamination we recommend to use our dermatologically tested product presto Invisible Glove.

Quality and properties

- Solvent-free
- Soap-free
- gentle on the skin, natural abrasive agent
- ph-neutral, therefore gentle on the skin
- Contains skin-protecting ingredient panol

- **Container/size:** Plastic bucket 10 litre
Plastic can 500 ml

Environment and labelling

Environmentally compatible: European Aerosols is committed to apply formulations without restricted or critical ingredients and to achieve best possible performance. The caps and packagings are made of recyclable material.

Disposal: Please mind the residue inside the containers. Completely emptied containers can be used for recycling. If cans are not emptied, they should be disposed off as "special refuse".

Only for DE: In order to ensure a high reuse and recycling rate, the legislator requires, in accordance with §15 - VerpackG, Paragraph 1, the return of transport, sales or outer packaging, alternatively, however, deviating agreements can also be made.

Labelling: All products of European Aerosols comply with the current status of their labelling regulations. Classification and distinction takes place by the presently legal form of the **Globally Harmonized System of Classification and Labelling of Chemicals** (GHS) or rather by CLP 1272/2008/EG regulations. Our safety data sheets comply with the current form of REACH 1907/2006/EG, article 31 und appendix II,

Using instructions

Before use, carefully read and observe the warning texts on the label!

Application

- Wet your palm of hands, take a small portion of the hand cleaner (2 - 4 g) and rub it in.
- Then add water and continue to rub in till the soiling dissolves.
- Finally rinse with a lot of water and carefully dry hands.
