

Quality and properties

- For removing heavy soiling such as paints and varnishes
- Very mild and skin-neutral detergent
- Contains environmentally neutral ingredients from renewable raw materials

Physical and chemical data

- **Ingredients:** Elcotal DX, 2-methoxy-1-methyl acetat, Sodiumlaureth sulfate, Ethylhexyl stearate, Dibutoxymethane, Isotridecyl alcohol polyoxyethylene and Parfum.
- **Colour:** light yellow
- **pH-value:** 5,5 - 6,0
- **Density at 20°C:** 0,986 g/ml
- **Storage stability:**
24 months in the original, unopened container, proper storage conditions provided (=10°-25°C, relative air humidity max. 60%)
- **Container/size:**
250 ml Plastic bottle

Environment and labelling

Environmentally compatible: European Aerosols is committed to apply formulations without restricted or critical ingredients and to achieve best possible performance. The caps and packagings are made of recyclable material.

Disposal: Please mind the residue inside the containers. Completely emptied containers can be used for recycling. If cans are not emptied, they should be disposed off as "special refuse".

Only for DE: In order to ensure a high reuse and recycling rate, the legislator requires, in accordance with §15 - VerpackG, Paragraph 1, the return of transport, sales or outer packaging, alternatively, however, deviating agreements can also be made.

Labelling: All products of European Aerosols comply with the current status of their labelling regulations. Classification and distinction takes place by the presently legal form of the **Globally Harmonized System of Classification and Labelling of Chemicals** (GHS) or rather by CLP 1272/2008/EG regulations. Our safety data sheets comply with the current form of REACH 1907/2006/EG, article 31 und appendix II,

Using instructions

Before use, carefully read and observe the warning texts on the label!

Application

- Rub presto Hand Cleaner Ultra on dry, dirty hands and then rinse thoroughly with clean water.

Disclaimer of liability

This application-technological information is given to the best of our knowledge. The notes mentioned herein are, however, non-binding and do not exempt you from own tests to see whether the products supplied by us are suitable for your special application. The use and processing is beyond our control and therefore exclusively in the responsibility of the user. European Aerosols is let off the liability, unless the liability-based incident is caused by a fault incurred to European Aerosols.

As of August 16, 2019

This release replaces all eventually earlier issued versions.
