

### **Technical Information Glass Cleaner**

This Glass Cleaner effortlessly removes grease, dirt and nicotine from windowpanes, mirrors and glass surfaces without leaving stripes and streaks.

Once applied, foam forms which does not run off the surface immediately. This means that dirt and impurities are quickly dissolved, leaving brilliant results. The cleaner is suitable for interior and exterior surfaces and available as a spray or pump bottle.

# Quality and properties

### Glass Cleaner Spray:

- Dissolves grease and dirt quickly and can be easily and completely wiped off
- Cleaning and degreasing foam
- Slightly alkaline
- User friendly

#### **Glass Cleaner:**

- · Very powerful cleaning effect

- Gel structure
- Slightly alkaline

### **Environment and labelling**

Environmentally sound: European Aerosols is committed to apply formulations without restricted or critical ingredients and to achieve best possible performance. The caps and packagings are made of recyclable material.

Disposal: Only the completely emptied cans should be put into the recycling skip or appropriate container for reclaimable refuse. Cans which are not empty should be disposed off as "special refuse".

Marking/Labelling: All products made by European Aerosols comply with the actual labelling regulations according to Preparation Guideline 1999/45/EG. All aerosols correspond to TRGS 200 and TRG 300 as well as to aerosol guideline 75/324/EWG in the actually valid version.
