

## Odour eliminator

---

Powerful spray to mask unpleasant smells. Very effective. Long-lasting effect, pleasant freshness. Also for use in the household sector.

## Quality and properties

---

- Very effective
- Excellent masking properties
- Long-lasting effect
- Brings freshness in the car

## Physical and chemical data

---

- **Smell:** Citrus
- **VOC-Content:** Approximately 99% w/w
- **Storage stability:**  
10 years if appropriate storage provided (=10°-25°C, relative air humidity of max. 60%)
- **Size:**  
aerosol can, maximum nominal volume 600 ml

## Environment and labelling

---

**Environmentally sound:** European Aerosols is committed to apply formulations without restricted or critical ingredients and to achieve best possible performance. The caps and packagings are made of recyclable material.

**Disposal:** Only the completely emptied cans should be put into the recycling skip or appropriate container for reclaimable refuse. Cans which are not empty should be disposed off as "special refuse".

**Marking/Labelling:** All products made by European Aerosols comply with the actual labelling regulations according to Preparation Guideline 1999/45/EG. All aerosols correspond to TRGS 200 and TRG 300 as well as to aerosol guideline 75/324/EEG in the actually valid version.

## Instruction manual

---

**Before use, carefully read and observe the warning texts on the label!**

### Application:

- Bring the can to room temperature / Operational temperature 5 to 30°C.
- Shake before use.
- Depending on the size of the room, briefly press the nozzle once or several times.
- In view of the very powerful spray pattern and the compatibility of the surface, spray in the air and keep sufficient distance from objects.
- For use in a car, we advise to spray on the floor mat.

## Order informations

---

## Disclaimer of liability

---

This application-technological information is given to the best of our knowledge. The notes mentioned herein are, however, non-binding and do not exempt you from own tests to see whether the products supplied by us are suitable for your special application. The use and processing is beyond our control and therefore exclusively in the responsibility of the user. European Aerosols is let off the liability, unless the liability-based incident is caused by a fault incurred to European Aerosols.

As of: January 10, 2014

This release replaces all eventually earlier issued versions.
