- **VOC-Content:** 20% w/w
- **Storage stability:**
5 years if appropriate storage provided (=10°-25°C, relative air humidity of max. 60%). Store frost-free.
- **Size:**
plastic pump bottle, maximum nominal volume 500 ml

Environment and labelling

Environmentally sound: European Aerosols is committed to apply formulations without restricted or critical ingredients and to achieve best possible performance. The caps and packagings are made of recyclable material.

Disposal: Only the completely emptied cans should be put into the recycling skip or appropriate container for reclaimable refuse. Cans which are not empty should be disposed off as "special refuse".

Marking/Labelling: All products made by European Aerosols comply with the actual labelling regulations according to Preparation Guideline 1999/45/EG. All aerosols correspond to TRGS 200 and TRG 300 as well as to aerosol guideline 75/324/EWG in the actually valid version.

Instruction manual

Before use, carefully read and observe the warning texts on the label!

Application:

- Shake before use.
- Do not use in the blazing sun.
- Apply presto Colour renovator with a moist cloth and polish.
- Allow to dry and polish to high gloss with a dry, clean cloth.
