

Technical data Sheet spot remover

Distein spot remover is specially formulated to clean up stains on clothes left behind by DISTEIN forest marking paints. Spray the stained area liberally with the spot remover and blot away carefully, do not rub. Repeat as necessary.

Suitable for colored spots from Distein marking paint.

Quality and properties Physical and chemical data

- mild effect
- universal usable
- good separation force
- no residues
- not corrosive

- **Color:**
transparent
- **smell:**
characteristic
- **basic:**
specific solvent
- **Storage stability:**
10 years if appropriate storage provided
(10°-25°C, relative air humidity of max. 60%)

Disposal and labelling

Disposal: Only the completely emptied cans should be put into the recycling skip or appropriate container for reclaimable refuse. Cans which are not empty should be disposed off as "special refuse".

Marking/Labelling: All products made by European Aerosols comply with the actual labelling regulations according to Preparation Guideline 1999/45/EG. All aerosols correspond to TRGS 200 and TRG 300 as well as to aerosol guideline 75/324/EWG in the actually valid version.

Using Instructions

Before use, carefully read and observe the warning texts on the label!

- Before use, shake can well for 2 minutes.
- Spray to test colour and compatibility on an inconspicuous area.
- Distance approx 10-15 cm

Order information

Disclaimer of liability

This application-technological information is given to the best of our knowledge. The notes mentioned herein are, however, non-binding and do not exempt you from own tests to see whether the products supplied by us are suitable for your special application. The use and processing is beyond our control and therefore exclusively in the responsibility of the user. European Aerosols is let off the liability, unless the liability-based incident is caused by a fault incurred to European Aerosols.

As of October 29, 2012

This release replaces all eventually earlier issued versions.
